

Fact Sheet

Claims Promise

In the event of a major claim, our dedicated team of claims experts will mobilise in rapid response to a covered event and, after coverage is confirmed, will advance our policyholders up to 50% of an agreed loss estimate within 7 days, giving them the immediate working funds they need for property damage and repairs, clean-up costs and extra expenses.

? What does it cover?

Property

- Property damage/repairs
- Clean-up costs
- Extra expense/additional increased cost of working

The estimate is to be agreed between the policyholder, broker and the AIG representative, based upon reasonably available information. This payment is made on an unallocated basis.

The AIG Property Claims Promise is not a blanket offer of funds without technical support. Our team will determine whether the coverage applies and that the initial loss estimate is reasonable. The advance of funds under the AIG Property Claims Promise is not made against loss of income claims. The intent is to provide working capital to our insured to help re-establish business, commence repairs and/or clean-up.
